## Metrics

## Your learning at a glance

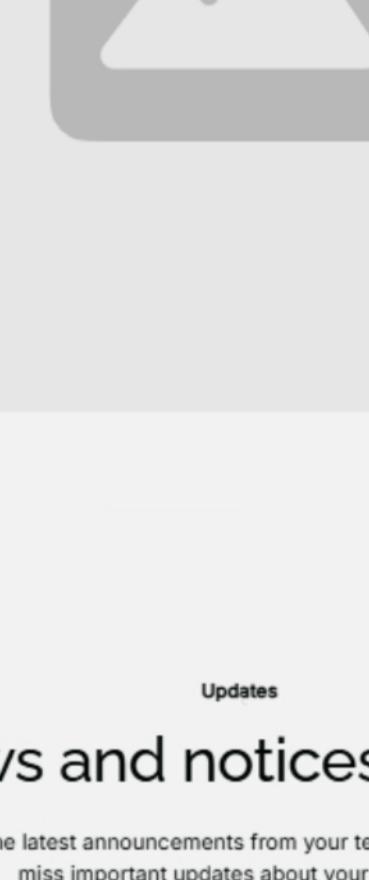

Monitor your daily effort and see patterns in your study habits.

Courses

## Continue where you left off

Pick up your active courses and move forward. Each one shows your progress so you know exactly what's next. Stay engaged and keep learning.

Explore View >

Progress

## How you're doing overall

Your circular progress shows completion across all active courses. Check your stats to see where you stand and what needs attention.

## On track

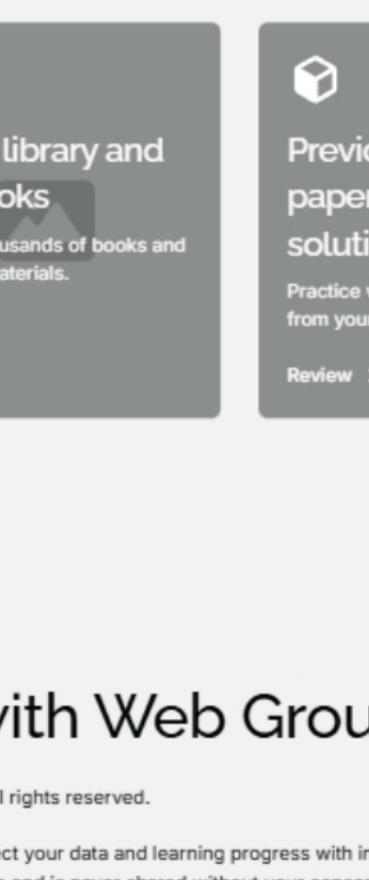

You're maintaining steady progress toward your learning goals.

## This week

Three new assignments added to your queue since yesterday.

Report View >

Tasks

## What's due and coming up

Your upcoming assignments are listed here with due dates and subjects. Check them off as you complete them and stay organized.

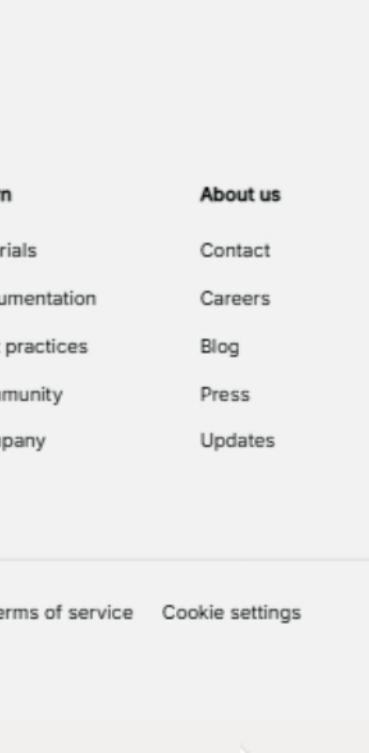

## Due soon

Three assignments due within the next two days.

## This week

Five more tasks scheduled for the rest of the week.
